

FACT SHEET

The Palm Monorail connects key landmarks of the Palm Jumeirah beginning from the Gateway Station at the entry of the Palm Jumeirah, to Golden Mile Galleria, Al Ittihad Park, Nakheel Mall, and finally Atlantis Aquaventure station. In addition to this, work has commenced on The Pointe Station scheduled for completion in February 2021.

Originally inaugurated in 2009, the 5.5 km monorail line is the only public transportation system on Palm Jumeirah for residents, visitors and tourists alike, in addition to being one the most iconic ways to explore all its destinations, with a low impact environmental impact. The price for a single trip ticket starts from AED10, and a round-trip ticket starts from AED15. Tickets can be purchased online or at any Palm Monorail Station Customer Service desk.

The Palm Monorail is the first monorail to be constructed in the Middle East and was developed by a consortium of leading international companies led by the Marubeni Corporation. The monorail is a Hitachi-based system with 5km fully elevated, double tracked system. The Palm Monorail is fully automatic and driverless, although an attendant is on board at all times.

THE PALM MONORAIL:

KEY FACTS

- Palm Monorail runs on a 5.5km, double track system
- The track system is virtually silent, protecting the communities of Palm Jumeirah from noise pollution
- Meets Dubai's unique climatic conditions
- Construction work began in March 2006 and was completed by July 2008
- The monorail track is built 10 meters above ground level on a number of piers
- A unique section of the trip includes crossing the sea to Atlantis connected by a 500m-long bridge
- The monorail average speed is 35kph and can reach a maximum speed on 70kph
- 3 carriages make up a train
- Each carriage has a capacity of 70 seats and up to 290 standing
- Each carriage is 43 meters in length and just over 5 meters in width and weighs 30 tonnes
- Trains run every three minutes during peak hours, and every 15 minutes during off peak hours
- Operational hours of Palm Monorail are from 9am to 10pm daily
- 3 trains are currently running at 6 minutes intervals

STATIONS

1. Palm Gateway: The Palm Gateway station is the first stop and has over 1,600 parking spots so you can park at the tip of the Palm Jumeirah and take the monorail for the day. Enjoy a spectacular vantage point from the station as you enter Palm Jumeirah. You can also access the Palm Gateway station from the Dubai Tram.

2. Al Ittihad Park

Station: Al Ittihad Park is a fascinating attraction that is home to a variety of the country's unique plant life. In addition to be the perfect place for a relaxing outing, the park is also a favourite spot among Dubai's running community as it offers a 3.2km running track and pop up stationary work-out stations. This station connects directly to the Golden Mile Galleria and 3min walk from the all new Palm West Beach.

3. Nakheel Mall Station:

Nakheel Mall is the only shopping mall on the Palm Jumeirah and is the centre of Palm style. With over 300+ brands, including home-grown fashion, food and entertainment brands and the famous Food Hall, Depachika. Experience great entertainment such as Trampo Extreme a giant trampolining and climbing park, Fabyland, Vox Cinemas and Bricobilandia; a toy city made out of Lego! Nakheel Mall is soon to be connected to the St Regis Hotel, opening Q2 2021, and The View, the first observatory deck on the Palm Jumeirah launching Q1 2021

4. Atlantis Aquaventure Waterpark:

Atlantis Aquaventure Waterpark is a leading aqua park in the Middle East. Step out of the station and enter the world of Atlantis, where you will be greeted by a range of amazing water activities like snorkelling, diving, and even walking under water. Explore Dubai's largest aquarium, meet friendly marine mammals at Dolphin Bay and Sea Lion Point.

The world saw the Island's first ever resort, Atlantis, The Palm open its doors to the public in late 2008. The ultra-modern luxury resort and a five-star hotel in Dubai harmoniously blend both magnificence and Arabian ingenuity and is themed around the mystical city of Atlantis.

You can also enjoy a serene walk to the boardwalk area along the shoreline or hire a bike for a ride.

- 5. The Pointe Station: coming soon** - Set at the tip of Palm Jumeirah, The Pointe is a scenic, relaxing arena which spans 1.4 million square feet of more than 80 restaurants, shops, vibrant attractions and a 1.5km promenade for sporting activities and charming views of Guinness World Record holder for the World's Largest Fountain display.

PALM JUMEIRAH IN NUMBERS

- The largest man-made island in the world
- Launched in 2001, the first residents moved into Palm Jumeirah in late 2006
- Palm Jumeirah is 560 hectares in size
- The 17 “fronds” are home to more than 1,500 luxury villas, each with their own beachfront
- 600 football pitches could fit on Palm Jumeirah
- 4 times the size of London’s Hyde Park and 1.5 times as big as New York’s Central Park
- 120 million cubic metres of sand and 7 million tonnes of rock were used to build
- 9 barges, 15 tonne boats, 4 dredgers, 30 heavy land base machines, 10 floating cranes were used to build the island
- 40,000 workers and 5,000 vehicles per day worked to create Palm Jumeirah
- 4 years of environmental and feasibility studies were conducted prior to construction
- 11-km long curved breakwater is the first of its kind in the world
- 6-lane sub-sea tunnel that connects the spine with the crescent is 1.4km long, 40m wide and 25m below sea level
- 78,000 people of 70 different nationalities live on the Palm Jumeirah
- The Trunk features townhouses, apartments and penthouses at Golden Mile, Shoreline Apartments, Palma Residences, Azure Residences, Marina Residences and Palm Views as well as upcoming residences at St Regis
- Key landmark, Atlantis, The Palm opened in late 2008 and is home to the Aquaventure Waterpark. Aquaventure is a water playground of over 18 million litres of water consisting of extraordinary rides with cascades, tidal waves and rapids. The Ambassador Lagoon at Atlantis is an 11 million litre marine habitat and one of the top ten largest aquariums in the world.
- Home to the first monorail system in the Middle East – The Palm Monorail
